Company Profile 企业简介

Zhuzhou Chuangde Cemented Carbide Co., Ltd, Which is Global Intelligent Manufacturing Pioneer in the Cemented Carbide Field . Located in Zhuzhou city, Hunan Province, the “Capital of Cemented Carbide Industry in China”.We focus on the research, development, manufacturing and sales of precision CNC inserts, high-performance end mills, carbide burrs, industrial wear parts, mining tools and tungsten-based alloys.

Our products are widely used in aerospace, automobile manufacturing, energy exploration, precision molds, heavy machinery ,petrochemical Industry and other fields. With excellent performance and stability, we have won the long-term trust of customers in more than 150 countries around the world.
